

Do you know what your first words were?

I know you will think I'm making this up but, I had a cousin Bob Piehl and I was always told that my first word was Bob.

I don't really remember the rest of his family. He was the son of my Dad's sister Mildred. We really never visited them but it seemed like I would run into him at odd places when I was older.

You can tell I'm getting desperate for things to write but this was this week's question. Anyway, I think Bob was a really good first word for me.
