

Our Step Granddaughters Lindsay and Mandy Landers

When Scott married Joyce we got to add two more granddaughters to our family. We enjoyed the girls so much when they were young but as they grew older they drifted away more and more. We realized that they had two other sets of grandparents that they were very close to.

I remember a very fun trip to a Adventureland, watching them play softball in Bristow and volleyball in Allison, and going to their school programs. Lindsay is a nurse/secretary at North Butler school in Greene. She lives in Greene with her three daughters, Aubrie Obermier, and Adri and Eyla Sheppard. She is a great Mom to her girls and keeps busy with their activities and her school responsibilities.
