

What are your favorite movies?

My all-time favorite movie was Forrest Gump. Tom Hanks is probably my favorite actor. Dustin Hoffman in Rain Man and Meg Ryan in You've Got Mail, Sandra Bullock in any movie, Julia Roberts in Pretty Woman, and Patrick Swayze in Dirty Dancing, Meryl Streep In Momma Mia are some more of my favorites.

I enjoy movies that are adapted from true life stories. I do not like movies where miraculously untrue things happen. Sorry, m but Field of Dreams was never my favorite. I know, it has been good for Iowa. Maybe I need to watch it again with a different attitude.
