

Tell me about a fun school field trip you had as a kid.

When I was a senior in high school the senior class always got to go on an overnight fun trip. Our class chose to go to Wisconsin Dells. We went on a riverboat ride and other attractions. But, the real fun of the trip started on way home. Someone (not me) got the idea to put Limburger cheese on the bus motor. I stood watch while friends Larry Klunder and Ronnie Wagner did the dirty work. About a half hour down the road the odor got very bad. The teachers that were with us informed everyone that the bus would not move until the guilty ones confessed. Larry confessed first and we couldn't let him take all the blame.

At that time the seniors got out of school a week before everyone else.

Our punishment was to stay in school that week and write a 5000 word essay on cheese. It actually turned out to be a fun week.
