

The Smith Family More Great Grandkids

Hayden, Landrey, Emery and Taye Smith live in Grimes, Iowa. Other than sometimes at Christmas and birthday parties and a few ballgames we haven't been very present in their lives. It is fun keeping track of them on Facebook. They are a very sports oriented family and they keep busy with the three older ones playing softball and baseball, football, basketball and volleyball. Taye seems to be a little trooper and smiles his way through all the games with attention from his older brother and sisters teammates.

Hayden was born August 15, 2008.

Taye seems to always have a smile on his face. Wonder if he is ever naughty.

Since Mandy is a photograph who takes lots of pictures I could go on but have to stop here. So glad they are part of our family even though we seldom get together.
