

Two More Sweet Great Granddaughters.

On September 19th 2009 our Grandson Anthony married Michelle Pint bringing her daughter Kendall into our family. Kendall was born April 25, 2005. What a beautiful, sweet four year old flower girl she was.

Kendall has been active in 4H And FFA showing her sheep and hogs and doing other projects. She has won many ribbons and does a great job showing. Joyce enjoyed an afternoon when Kendall came to our house to make strawberry jam as a project.

Kendall has played volleyball and is now playing basketball. She has a lot of spunk and plays hard. She is fun to watch.

Kendall is also a good student and is a member of the National Honor Society.

Glad your in our family Kendall.

Klaire Marshall was born August 17, 2010.

Klaire has been a really self sufficient girl. She tends to do things for herself.

Anyway when we have been around her. She has never been a girl who sits on your lap or likes lots of hugs and kisses. We tease her about giving side hugs. She has never wanted to stay all night and is fine until it starts to get late . She can't seem to fall asleep until she knows Mom and Dad are home safe.

Loved Klaire's beautiful curly hair when she was small.

Klaire is very artistic and does well at the school art show. She is active in 4H and does well with her projects.

Klaire is enjoying playing softball.
