

What do you like most about your siblings?

My brothers are both intelligent, hard working, decent and well liked men.

Glenn has had many medical problems but has never complained and has lived his life to the fullest. He has traveled, danced, hiked and done many things that healthier people never attempt. He is a good husband to Gail and father to Gretchen and Laura. His grandchildren are Timothy, Michael, Zachary, Maxwell and Joseph DeVore and Jacob and Allison Sessler.

Bruce was in the service and was sent to Vietnam Nam where he served our country. He has done well being a good farmer. He is also a good husband to Pat and father to Amy and Kathryn. He has grandsons Ben and Sam Hoover and Mek Thomas.

I enjoy visits with them although we don't get together often enough.
